

Chanate Communities Meeting
Wednesday, October 14, 2015, 6:30 p.m.
Santa Rosa Veteran's Memorial Building
Main Auditorium
1351 Maple Ave., Santa Rosa, CA 95403

Greetings to our Chanate community residents. Members of the Sonoma County Board of Supervisors have engaged in a process to repurpose the Chanate Campus that comprises the vacant Sutter Hospital building and surrounding County-owned properties. The Board's vision is to create a mixed-use community of high quality housing and commercial uses that complements surrounding neighborhoods. As part of the master plan effort, amenities such as walking trails, bicycle paths and neighborhood connectors are being considered.

You are invited to a meeting to hear about the planned improvements for the Chanate Campus and to provide your input on potential neighborhood amenities for this legacy property. This is an exciting and important endeavor for all of Sonoma County, and your involvement is needed to shape the vision of this project. Please join us!

If you have questions you may contact Simeon Walton at (707) 565-2348 or email us at chanateinfo@sonoma-county.org.

All future communications regarding this project will be via email. If you would like to receive updates and information on this project, please send your email address to: chanateinfo@sonoma-county.org.
